'HEAM Scholar – 2015' is the fourth of its type in an annually conducted idea / project competition among research scholars who pursue their Ph.D. degree programme in Indian Institutions. Highly competent M.Tech / MS students will also be considered in this category. Self-nominations are welcome from research scholars with their C V and a project proposal (Abstract). Few scholars will be initially selected for oral presentation. They need not pay registration fee for attending the two days national seminar on Hydrogen Energy and Other Renewable Energy Sources, to be conducted along with this competition. The presentation of the nominee along with their academic performance will be evaluated by an expert committee. The presentation of their project may reveal their exclusive idea or proposal and the same need not be evidenced by practical results. Ideas / imaginations based on national / international news / reports are also welcome.

The award winner i.e., HEAM Scholar – 2015 will be given a cash prize of Rs. 10,000 and a title.

The event will be conducted on 28th November 2015 in parallel to HEAM Scientist 2015 this time.

Seminar updates: The information on updates may be had from www.iaheam.org
